Bill Lucas
Client Services Manager
Medic First Aid
P.O. Box 21738
Eugene, OR 97402

Dear Mr. Lucas:

The Dental Assisting National Board (DANB) is the nationally recognized certification and credentialing agency for dental assistants. DANB is a nonprofit corporation whose mission is to promote the public good by providing credentialing services to the dental community.

Current Cardiopulmonary resuscitation (CPR) is a requirement for DANB examination eligibility. The Board of Directors of DANB met August 18-20, and ruled to accept Medic First Aid's Basic Life Support for Professionals course as meeting DANB CPR standards. For easy identification, DANB would like to print the Medic First Aid logo next to your approved course (attachment) in the 2001 DANB Candidate Guide. We are currently in the revision process and would appreciate a return of your company logo by fax (312-642-3368) on or before September 28. This is a single use only request and a copy will be issued to you.

DANB appreciates your cooperation in this matter. You may fax your response to my attention and contact me at 1-800-FOR-DANB, extension 131, for any questions or concerns.

Sincerely,

Dawn R. Meyer
Manager, Client Liaison
