Jennifer Toso, Senior Client Services Rep  
EMP America  
500 South Danebo  
Eugene, OR 97402

Dear Jennifer:

The USA Swimming Safety Education Committee has reviewed the materials received from EMP America. I am pleased to advise that your course – Medic First Aid – does meet the requirements for coach membership in USA Swimming for both first aid and CPR, **provided that the student successfully completes a written test.**

Our Local Swimming Committee registrars have been informed that they can accept the Medic First Aid certification **along with** a copy of the completed written test, scored and signed by the course instructor.

This course has been added to our list of approved courses. The Safety Education Committee is authorized to review curriculums as often as it deems necessary. I anticipate that they will want to review your most recent course materials again in several years.

Thank you for sending us your course materials. If you have any questions, please let me know.

Sincerely,

A handwritten signature in black ink that reads "Cathy Durance". The signature is written in a cursive, flowing style.

Cathy Durance
